

## **SYMBOLIC LODGE WEB PROGRAM**

The Grand Lodge has secured a special bulk rate for your enjoyment. D3DataSolutions offers three (3) website “levels” for symbolic lodges. The level desired depends simply on how much your lodge might use internet resources to coordinate activities. The information for each lodge will be incorporated into a standard website template, which provides a professional and easy to use web presence.

---

**(\$30.00 / year):** This lodge website package contains the five necessary items for anyone using the web to learn the specifics of your lodge:

1. Contact Information
2. Lodge Information
3. Petition for Download
4. Links to Indiana Resources (on the web)
5. Your own identity at: [anytownlodge357.indianafreemasons.com](http://anytownlodge357.indianafreemasons.com)

Contact Information will consist of physical address, phone number, and a generic email link (e.g. [anytownlodge123@indianafreemasons.com](mailto:anytownlodge123@indianafreemasons.com)). The website will also have a small map with directions.

Online Request Info Form will permit immediate requests for information, mailed directly to the lodge secretary, so the lodge may follow-up with pamphlets, the GL DVD, or whatever else is requested by the interested party.

Online (Static) Calendar can be either an Adobe PDF or MS Word Document that outlines the entire year's planned activities (for download and printing by lodge members)

Additional Links to other web resources may be added by the WM (or designated officers).

Online Calendar will be just like the GL calendar (at [indianafreemasons.com](http://indianafreemasons.com)). It can be updated in real time.

Appendant Body areas in the lodge website will be available if the Lodge hosts DeMolay, Job's Daughters, etc. or has members prominent in the Shrine, Scottish / York Rites, etc. Each of these bodies will have a webpage of their own, with contact and meeting information, with links to sites with more information.

Photo Album will include thumbnails as well as large pictures for browsing, printing, downloading, etc. so the lodge may display its activities, prominent members, etc.
